We are set back from the road in a gated Mews next to Tomlin House. Look out for a small side road with black gates. We are the building on your left as you come through the gates. Please press the gate buzzer on arrival for entry – you do not need to press the buzzer next to the front door, simply walk into reception.

Getting here:

By Car - Orchard Street can be accessed via St Dunstan's Street or Queens Avenue. There is limited on site visitor parking; however, we will endeavour to provide a space upon arrival when possible. There is also on street pay and display parking on St Dunstan's Street, New Street and other surrounding roads, and Canterbury West Station car park is a short walk away.

By Train - We are a short 5-minute walk from Canterbury West Station. Turn right as you exit through the main entrance and then right again at the end of the road. Walk up St Dunstan's Street over the railway crossing and Orchard Street will be a short way up on the left next to the Coffee Corner.

By Bus - From Canterbury bus station, Bus Uni 1 leaves approx. every 10 minutes from bay A5 and travels via St Dunstan's Street. Alternatively, we are a 20-minute walk from the bus station.
